

Dr Gyula CSURGAI

Gyula Csurgai was born in Hungary. He is a Swiss citizen and lives in Geneva. He obtained his Doctorate from the University of Geneva, Degrees in Political Science from the University of Concordia (Canada) and the University of Toulouse (France) as well as Postgraduate Degrees in European Studies from the European Institute at University of Geneva and in Philosophy from Geneva University. He worked as scientific collaborator at the Geneva International Peace Research Institute (GIPRI) and has taught international relations, geopolitics, and geoeconomics for undergraduate, masters, and doctorate programmes at different universities. Dr Csurgai developed several university programmes, organised international symposiums on different geopolitical issues. He has participated as well in several international research projects and has provided expertise to a number of international organisations and governments. He has been a guest lecturer at numerous conferences and symposiums in Germany, Hungary, Italy, Portugal, Russia, Brazil, Curacao, Canada, United States and France. He is currently the Academic Director of the Geneva-based University Program of the School for International Training in Multilateral Diplomacy and International Studies (SIT).

His publications include among others:
